### **Goals**

The French Language Institute aims:

- to help its students to master the basic oral and written structures of the French language;
- to open up possibilities for national and international careers requiring knowledge of a foreign language;
- to offer a unique and enriching multicultural experience, in an environment where the Christian moral, social and spiritual values are respected, as recommended by the Adventist Church.

### **The Campus**

The French Language Institute is part of the Salève University. It is situated in a spacious, quiet park, surrounded by lawns and flower beds, at the foot of the Salève Mountain, just a few kilometres from the international town of Geneva.

The Campus welcomes both external and internal students. The dormitories offer the possibility of single or double rooms. The other services offered are: cafeteria, laundry, bookshop, gymnasium, sports field and work out room.

The campus library is equipped with audio-visual material, access to Internet, email facilities, and a language laboratory which facilitates language learning.

## **References, accreditations**

It is registered with the Ministry for National Education under n° RNE 0741439M (académie de Grenoble).

It is accredited by AAA (Adventist Accrediting Association of Seventh-day Adventist Schools, Colleges, and Universities).
